Hi all

What a month we have had.

I would like to personally say thank you for all those who helped cook such delicious cakes and biscuits for our 3G run.

A special thanks to Peter Bryan for all his assistance, expertise, his memorabilia and props. We took out 2nd prize in the Club display and we received a \$500 dollar cheque.

Also I would like to congratulate Charlie Pace and Joe Oliveri for winning trophies at this Expo.

A kindly reminder that the Club raffle tickets for the Camden Car Show will be available in June.

To also get the ladies who will dress in period dress will all match in well. Voted by meeting to go ahead with this. JF to enquire with Camden Hire for costs.

EDITORS NOTES

G'Day Everyone,

Welcome to the June edition of our magazine.

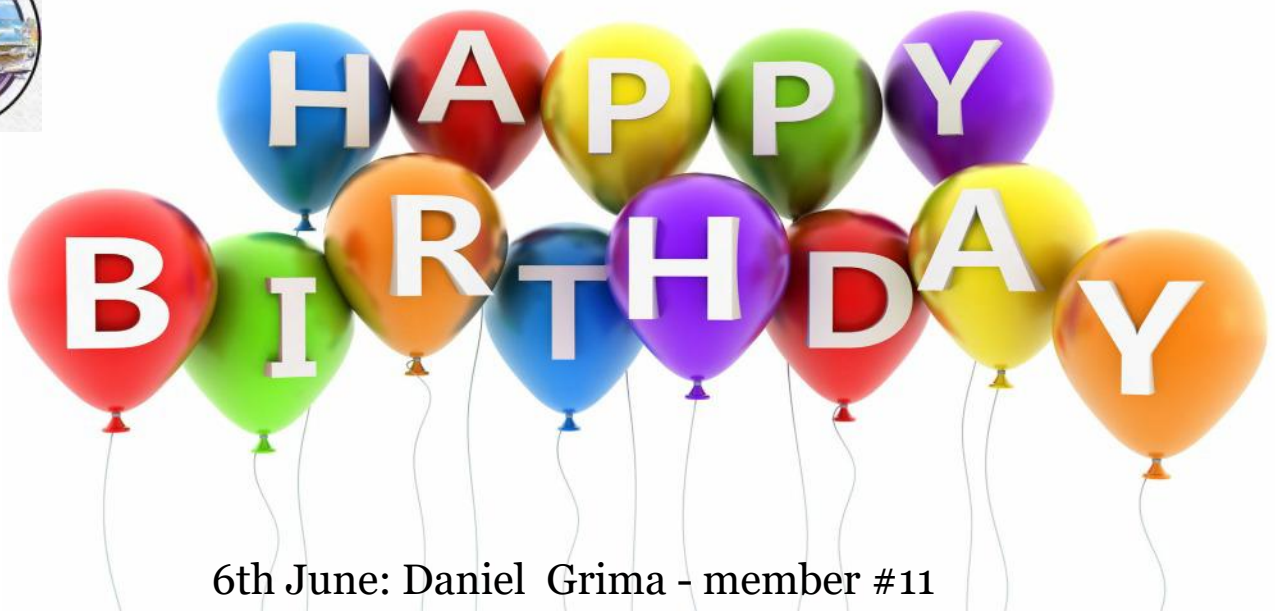

I would like to remind everyone that memberships are due by June 30 (the end of this month). For members on the CVS schemes (Historic or Modified rego), regardless of when your registration is due you must be financial PRIOR to the end of the month, otherwise your car will be effectively unregistered. So get your \$50 in ASAP, it's cheaper than a fine and you also get a 12 month subscription to this awesome magazine!

Our AGM will be held in August this year, so this is your chance to have a say on how the club is run and what members run it. We are always open to suggestions that can make the club better, so if you have some ideas, come along to the AGM in August and have a voice.

Finally, I would like to say Happy Fathers Day to all the Dads later in June.

Happy cruising

Ben Marks

While new members Al & Kim are anxiously awaiting delivery of their '57 4 door hardtop, they decided to tease themselves a bit and head over to the 'Blast From the Past' show at Toronto. Here is his wrap up of the day.

I went to Blast from the past at Toronto yesterday, the weather held out and the day was nice. There were no members cars there (unfortunately). There was a very nice 57 two door red pillar less belonging to Barry Merideth that won best Chevy and a well presented 56 two tone green and white that looked great, don't know who owned it. There was not many cars in total about 40 but plenty to do with rock n roll dancing and bands at the hotel and stalls with 50s and 60s fashion for sale, wine tasting plenty of food options and kids activities through out the day. I have attached some photos of the 56 and 57 as well as a couple of others I liked. 53 Chevy & 56 Oldsmobile.

Cheers

Al

B GGG RUN 2017

Well after all the planning by the 3 G's and their wives the day arrived and what a perfect day it was. Not a cloud in the sky. I had rain last night at Northmead and thank God that it was all clear for the morning's run.

At daybreak, we were well organised. Off to the first stop, Gary and Kay Wright's was the Right place to be in South Camden, and we were greeted by Gary and Kay who had the Wright workshop cleaned to perfection. Instead of cars inside, there were tables assembled full of Cakes, Creamed Horns, Flora's Anzac biscuits and jam scones and pikelets. The coffee and tea flowed as well as the discussions about the mancave and workshop.

By 9.30am cars and people started to arrive and the street was getting full of Chevs and a few other cars including the Black Ferrari owned by Garry Foreman. Family members also arrived in a HQ Monaro 2 door and a new GTS Commodore. All the cars caused a storm with the neighbours as all and sundry came out to look at the chromed metal, taking photos and asking questions of the owners about their cars. I counted 27 cars parked up and down the street in all their glory.

From the Chev Car Club of NSW Gary & Sue Turney '55 arrived along with Con & Ellie Poulos '57, Robert Fern '57 convertible and Peter Bryen '58 Biscayne all at the same time.

From the Veteran & Vintage club, one car that was special was a 1934 Chev Master 4 door sedan, in great form. Along with a Modern Chevelle, a '71 model driven by Alan Walker I think...

There were plenty of our 55 56 57 members here with their cars all on show, John Neskie '57, Michael & Kay Gregorace '56, Ric & Lorraine May '56, Ken & Sharon Taylor '57, Jim & Rosalie Douse, John Fenato '55 with Frank Mamone keeping him company. Chris & Cathy Lowger '55 and their son and grandson in their recently finished modified LX Torana. Steve & Lyn Barks '57. Eric & Stacy Jones '57 with their two little children on an outing accompanied by their grandmother and partner as there are no child restraints fitted in the '57. Robert & Julie Fenato '67 Impala

The last but not least to arrive was Bryn & Rhonda Miller with their '57 Nomad.

I took photos of all of the chrome bling!!

Gary Wright thanked everybody for coming and we handed out the observation question run sheet and directions to the next destination, Garry Foreman's new place. All off and we travelled down the Old Hume Highway through Picton and to Tahmoor, turned right up the main street and a few k's later we arrived at the Foreman's household.

An interesting development happened on the way there; the Wright '56 machine arrived with a set of "P" plates affixed to it!!! Granddaughter Laura had the honour of the drive with all the passengers being chauffeur driven!!!

Garry & Brenda Foreman have just finished building the new house and shed just 8 months ago, they have done a great job with the landscaping in that time. You should see the Man Cave room in the shed. A great room that is a work in progress. Can't wait till we come back for next year's run to see what is planned. We all parked in the front and were greeted by our hosts who were busy cooking the lunch.

We had catered for around 70 people and at a tally there were approx. 60 present. There was plenty of food even enough for seconds, Bread, sausages, potato and coleslaw salads as well as some of the leftover cakes from morning tea.

I went looking for the Anzac biscuits that we had made and they were all gone as well as the cream horns cooked by Kay's daughter Karen.

With the lunch served, we all talked and looked at the assembled cars. Even the neighbours came with a restored HR Ute and a couple of Ford hot rods.

The lucky door prize was won by Ken Taylor, and the other prizes were won by Sue Turney and Kay Gregorace.

There was a surprise birthday cake served for Garry Foreman SNR and Gary Wright, whose birthdays are happening this week.

Clean up was done and we all said our good-byes and headed home after another great Chevy Day Out

Till next Time

NSW HOTROD AND CUSTOM AUTO · EXPO SYDNEY

We had six cars on display at this years Hot Rod & Custom Expo at Rosehill. We arrived on Friday afternoon about 2pm. John met us there in his 4WD ute and box trailer, filled to the brim with a serious amount of 50's memorabilia, courtesy of club member Peter Bryen. Seriously, Peter must have spent half a lifetime, and a small fortune to accumulate such a cool variety of props. Hamburgers, shakes, & fries, on tables and on little trays for the doors of the cars made the scene of a 50's Drive In. A big thanks also goes to Skyline Drive In at Blacktown who kindly donated the use of two vintage speaker units for the weekend. By about 6pm, we were all set up and ready for the onslaught of petrol heads over the weekend.

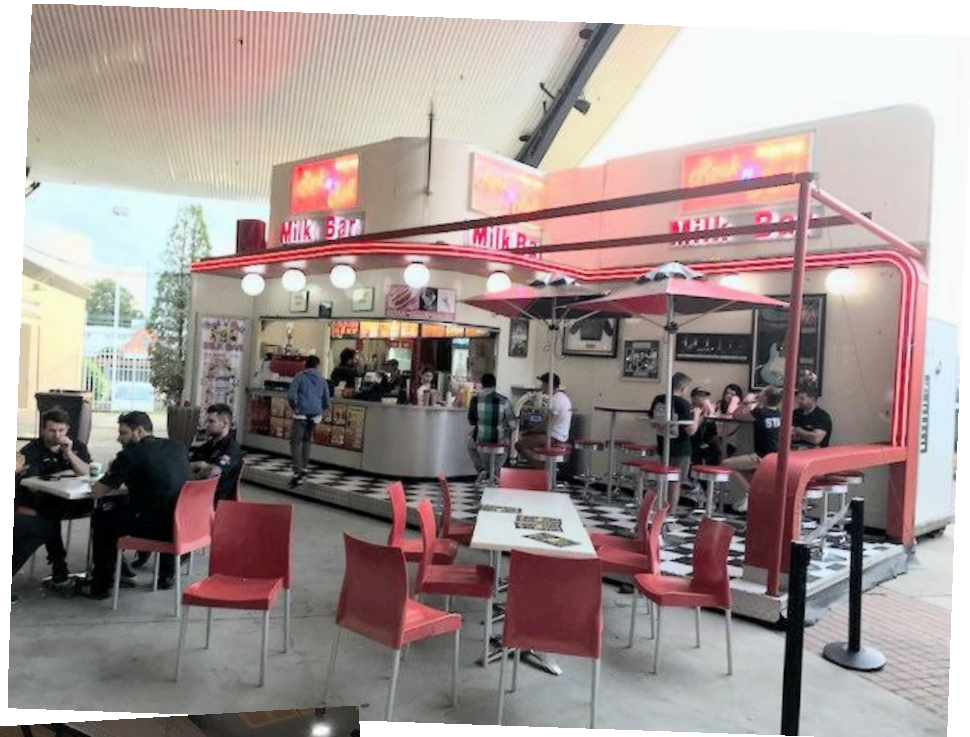

Our display was nice and bright and the reflections off the cars was sensational.

One of the more popular eateries over the weekend was this 'pop up' 50's style diner. This is one of the rare shots where our President was not in sight!

Although not the winner of Best Club Display, one of the most different Club Display's was The Drag-Ens Hot Rod Club. They depicted their recent 'Race Of Gentlemen' theme, which was an event they held recently up on the mid north coast of NSW. It was a real head turner.

Above: We came 2nd for 'Best Club Display'

Left: Joe Oliveri took out 3rd place in sedans 1949-1970

Below Left: Charlie Pace took home two trophies: 1st place for 'Top Convertible' and 1st place for 'Top Standard Paint'.

I would like to thank my sister in-law, Kelly Franks for coming to the rescue and taking photos of the weekend. After the Friday afternoon setup, I had a little accident with a finger being slammed shut in the tailgate of a Toyota Landcruiser - Oh what a feeling indeed!

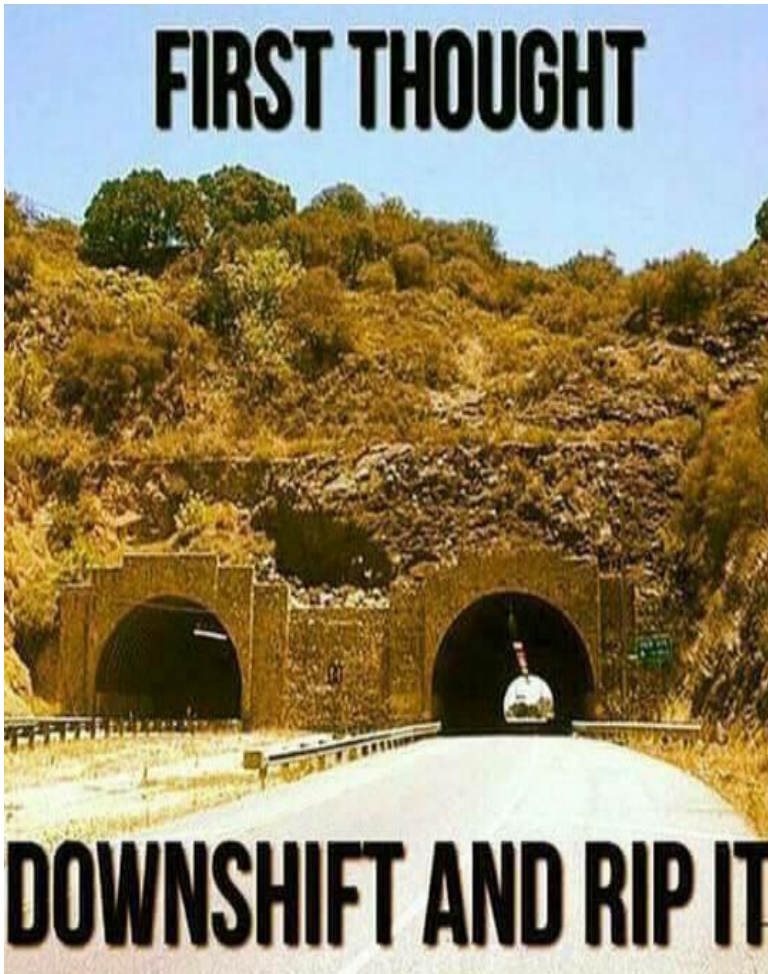

OFF THE NET!

Here's another great tip from your pals at HOT ROD: Bolts can be more than just fasteners. Long or short they make great replacements for those pesky blown fuses, and will glow red when there's a wiring problem, too!

About 7:08am on 8th February 2017, a 27year old male was stopped driving a Toyota Camry towing a box trailer upon Carlisle Ave Mt Druitt by Mt Druitt Highway Patrol in relation to the load issue. The male was issued with number infringements including exceeding load mass limit and tow vehicle with load causing instability.
