PRESIDENTS REPORT

Hi Members,

Here we are in June,
hope all our members stay well during the cold season.

I attended the Rose Hill Hot Rod & Custom show on Saturday, 26th of May and I was very impressed with the array of cars such as Hot Rods and Rat Rods. Not many Tri-Five to be seen except one 55 Drag car.

A big congratulations to Charlie Pace who took out the Top Convertible and it was good to see one of our members get this award.

Our Sunday 3G Run was a great success. Plenty of food and a huge thank you to Gary, Kay & their family for all their hospitality.

Don't forget our next run which is on the 19th of August - Lost in the Fifties.

Please let us know if you would like to attend as we need to confirm numbers asap as this will be the last event held there as it is closing down.

A special note to all members who have Club rego, **ALL MEMBERSHIPS MUST BE PAID IN FULL BY 30th JUNE.**

Don't forget about the Club meeting please call or text. I'll see you then

BGGG RUN AT CAMDEN SOUTH

Story by Gary & Kay Wright, Photo's courtesy of John Keogh

Kay and I woke around 3.30 in the morning in anticipation of the day ahead and as usual Kay springs out of bed and gets my breakfast ready then of on her daily walk.

Well when the sun finally comes up and sheds some light on the day we are both at it to start laying out the tables chairs set up the barbeque etc. ,

We were all set up ready to go around 7.30. Dressed and waiting for everyone to arrive, Jim and Roselle Dowse were first to arrive then of course Bevan Joseph then Chris lowger plus Ric and Loraine May all ready to give me a hand but it was all set and ready, So it's on with the kettle to have a cupper.

I had been for the last few days thinking what I could say to welcome everyone but once you all arrived I saw all the faces looking at me I froze and I called the old faithful John Fenato up to say a few words.

What I was planning to say was how nice it was for all the phone calls I received with offers of help for the day, next I wanted to say a special thank you to Kay , Flora, Loraine, Roselle and my Daughter Karen my granddaughter's Tara, Laura and partner Sean for there early start to put to-gether the cream delights for Morning tea.

Special thanks for Bevan and John for cooking the bacon and eggs John for the running around get food and delivering his barby and equipment over on Saturday before.

After the Crowd rolled in on go the bacon and eggs and Petula's sausage rolls ready to be served right on time for 10.00 o'clock, everyone was eating, drinking their Coffee sitting around just simply enjoying one and another's company.

Man I want the receipt for the rolls so Kay can cook them for me I might add they were the only things I ate all day.

Next was to draw out the lucky door prise I had Chocolates set for the ladies and a model car for the gents plus some very fancy looking wine donated by John And Petula Keogh which stole the show and all the winners were happy to receive special thanks to John and Petula

Next was to follow was the lady's cream delight and a great day was over then some had to leave and the last was John Fenato, Frank Mamone, Chris Lowger, Mate Reynolds all good mates around 2.00 Pm

If I have missed anyone it's only my mistake but thanks anyway.

Next in for a short Nana & Grandfather nap.

Once again thank you all that were there for the day those that weren't sorry you missed out.

Club member Warren Gonano was kind enough to send thru some photos of his recent trip to Melbourne, where he took some time out for this years Meguiars Motor Ex.

Thanks Warren

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION INCLUDING 60 DAY LOG BOOK

To be eligible for historic & conditional registration you must be a member of an RMS approved automotive car club such as ours. Membership of our club is \$50 per annum.

Historic and conditional registrations are both eligible for the 60 day log book trial. The trial allows you to drive your vehicle on 60 individual days at your own discretion. Club events and club sanction runs do not impact on the 60 day log book use.

Fees for concessional registration are set by the RMS & are currently \$51 for registration including green slip plus a once off payment of \$40 for new plates. Conditional registration also attracts an additional annual fee of \$25 to the ACMC.

Personalised plates need to be surrendered, transferred, or placed on hold; the latter attracts a holding fee & any other ongoing rental costs. It is hoped that the RMS may allow personalised plates with conditional registration sometime in the future.

Historic registration (H Plate) is essentially for vehicles 30 years or older that have not been modified, some consideration maybe allowed for manufacture/dealer approved accessories, Limited safety upgrades and unavailability of original parts. In our club registration requires an annual Pink Slip.

Conditional registration (D Plate) is also available for vehicles 30 years or older that have been modified. The RMS have issued a set of guidelines (VSI No.6) that address many examples of what modifications may or may not require certification by an RMS certified engineer. For example an engine capacity increase greater than 20% or a total wheel and tyre diameter increase by more than 7% would require certification. Modified vehicles that do not need certification must have a once off Blue Slip, than an annual Pink Slip. Vehicles requiring certification require an engineer's report confirming the current modifications plus a Blue Slip, than an annual Pink Slip.

Please refer to the overleaf flow chart for further guidance and feel free to contact one of our three Plate Registrars for more information.

Kind Regards,

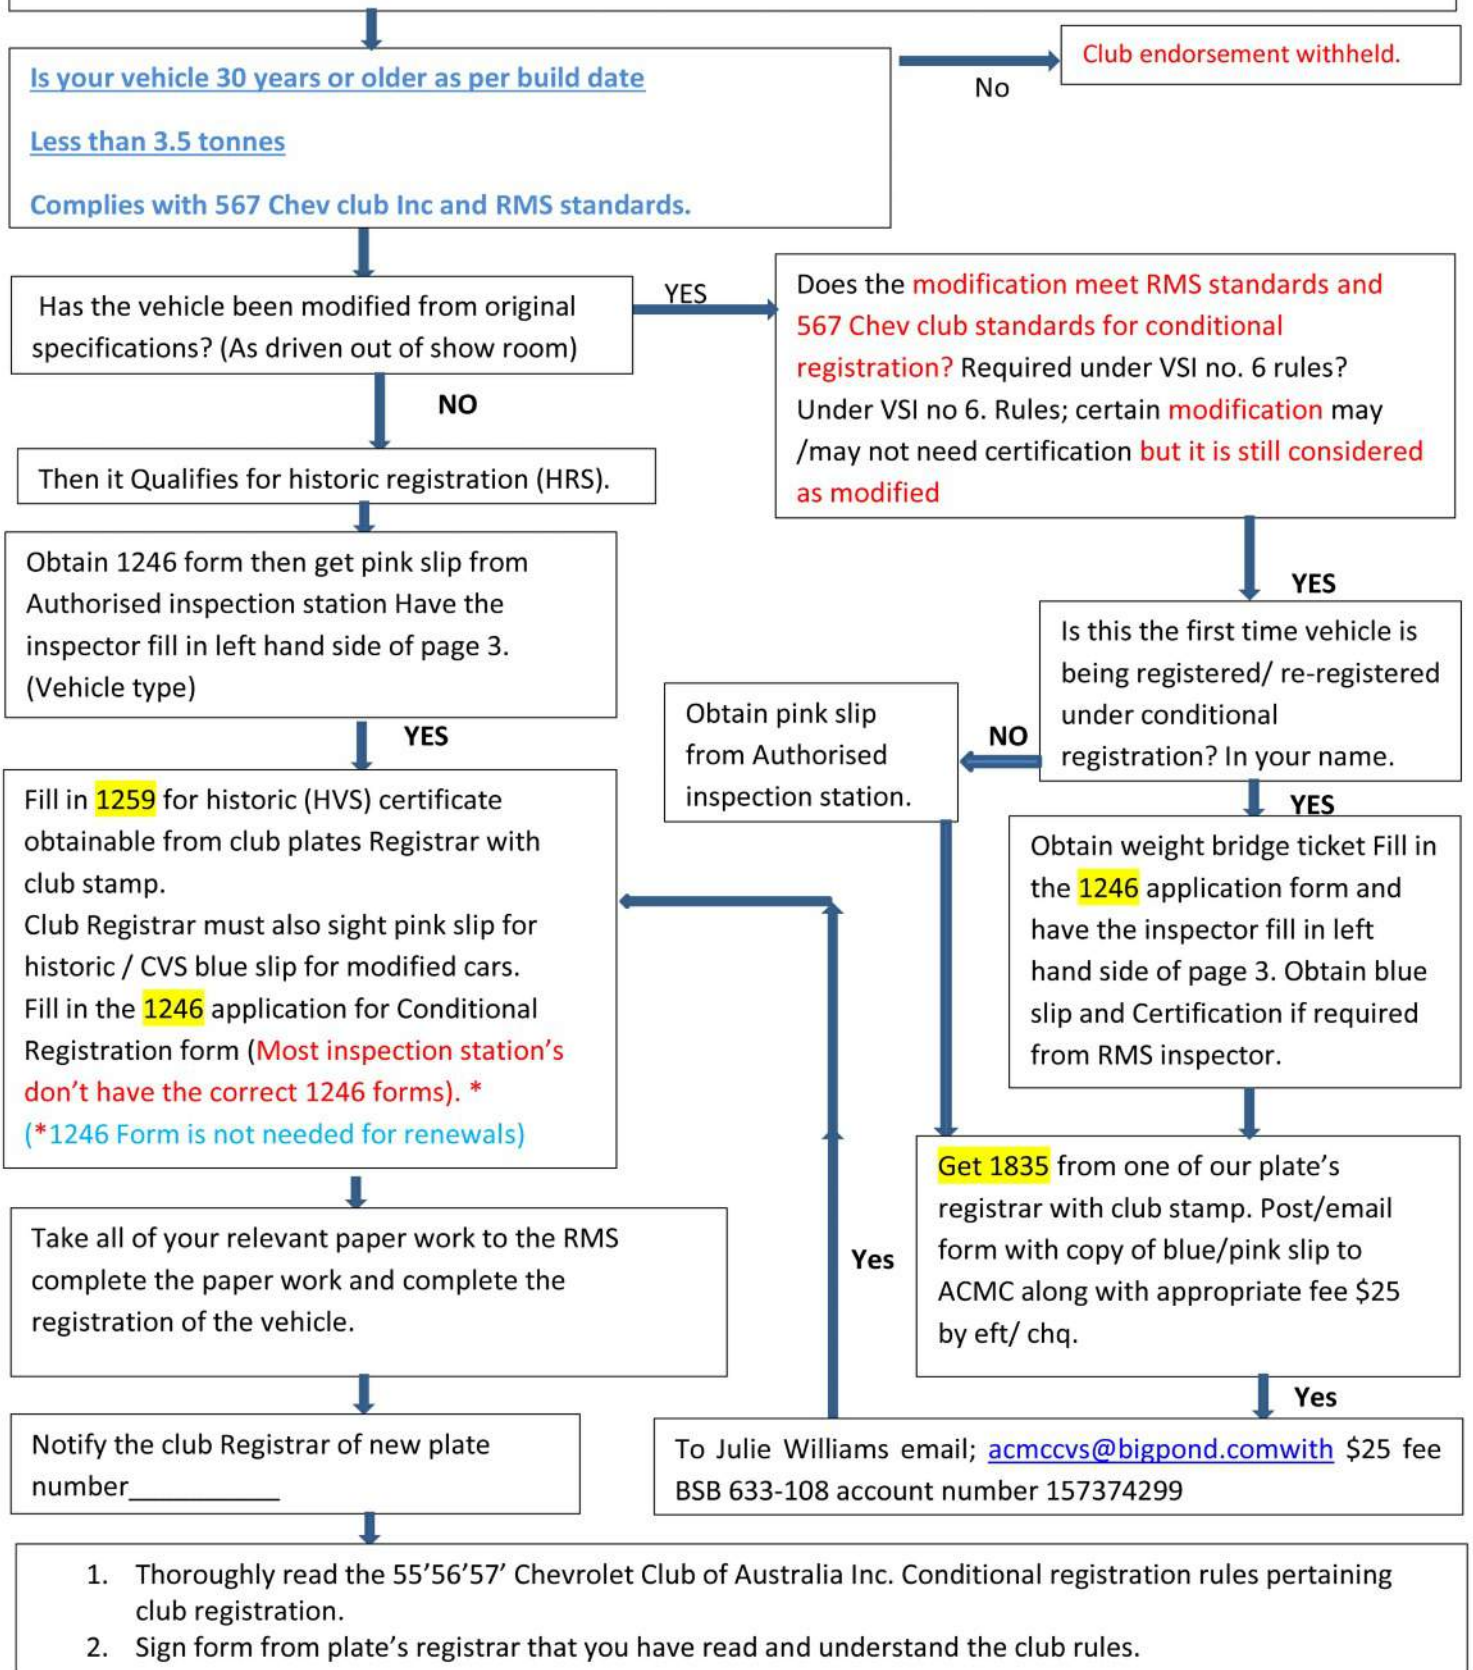

Gary Wright.

The 55'56'57' Chevrolet Club Of Australia Inc. Process for conditional registration schemes

Regardless of whether you are renewing or applying for the first time for Historic or Classic vehicle registration before you precede you must be a financial member of the Club, live in N.S.W. and hold current NSW drivers licence, the vehicle must be garaged in NSW

Thoroughly read all of the Roads and maritime services (RMS) rules pertaining to the conditional scheme to determine if your vehicle complies with their requirements that suit your vehicle check [RMS web site](#)
There are two conditional registration schemes that apply to our cars One is Historic vehicle scheme (HVS) Or two Classic vehicle scheme (CVS) vehicles must be 30 years old as per build date,
