CLUB REGISTRAR

Important Notice all 55,56,57 Club members

With **HVRS & CVS** Concessional registration schemes

We have noticed lately that there have been quite a few members not addressing their renewal of RMS Permits for registration until they are close to or overdue.

It would be remiss of us not to let you know if you drive your car after the due date that you are driving an unlicensed vehicle and there for liable for a fine if you are caught.

The RMS sends out renewal notice's one month before the due date and a notice of cancelation one month after that date so the responsibility is all on the operator (Owner) of the vehicle the correct original form (HVRS 1259) or (CVS1835) these must be dated 2019.

You are encouraged to obtain your pink slip well before the due date of your registration and once done it has an expiry use by date of 42 days after the date of issue,

So, it makes sense that you get prepared early for the renewal. Once you receive the renewal notice proceed to get your pink slip ASAP.

This gives you time if there are any repairs are needed, then TYPE in the left side of your original Historic 1259 or for Classic vehicle 1835, with your renewal notice and make arrangements with our plate registrar for a suitable time for them to sign off and apply the club stamp and signature. Or make arrangements to see Aldo at our club meetings.

Aldo Mazzucco 0414 327 350, located Bexley registrar 3@chevclub.com.au

Once this is done for **Historic** vehicle's you now only have to go to the RMS with the 1259 form and the original pink slip and pay the due fee.

For **Classic Vehicle Scheme** you need to post the original 1835 form to the ACMC, or you can scan it and send it after its been filled in along with a copy of your pink slip (do not send the original pink slip you will need this when going to RMS to renew registration) and enclose a payment of \$30 by cheque or electronic transfer (no cash payment to be sent in post) to:

Attention the Secretary ACMC; Postal address; PO box 328, Seven Hills NSW 1730. Banking details **Account number 1042 9978 BSB 062-452** and wait for ACMC return mail it should take around 5-7 days. Please use your last name and our club name for reference and email proof to CVS@ACMC.asn.au. Or in person with Maggie by **APPOINTMENT ONLY - 0429 311 754**. We repeat (do not send the original pink slip you will need this when going to RMS to renew registration). Then go to the RMS and pay the due fee.

Thank you

PRESIDENTS REPORT

Hi Members,

I am back in the saddle again. Christmas has come and gone and it's hard to believe that we are already in March.

As previously discussed, at our November and December 2023 meetings you will now be receiving the Club magazine every 2-3 months depending on content however, you will still be receiving the minutes of the meetings every month but not the financial report.

At our first meeting back in February 2024 we had a good attendance of Club members and also at our March meeting. Thanks everyone for making the effort to come. It was a great turnout.

Also, as I mentioned in our March meeting our first Club run is on Sunday, 7th of April 2024 - GM Day at Penrith Museum of Fire. If you would like to come could you please message me so that I can then organise trophies if there are enough members wishing to attend.

We are also looking forward to the ANZAC weekend away in Kiama in April. We hope that the weather will be in our favour and we can all enjoy the beautiful South Coast.

The National Motoring Heritage Day at East Kurrajong hosted by John McCoy Lancasters Club will be held on Sunday, 19 May 2024 and I will discuss all the details at our next Club meeting.

I would like to wish all the members a safe and happy Easter and look forward to seeing you all at our next Club meeting on Tuesday, 9 April 2024.

Regards

John Fenato

Past Minutes

Minutes from February meeting. Not yet accepted as they have not been distributed via magazine.

Bevan asked the members if they would prefer that the minutes be emailed out after each meeting prior to the magazine being done.

The acceptance of this was carried forward. All minutes in future will be sent out to members via email and in the magazine.

Club Magazine – to be emailed out by Ben Marks. No magazine Feb- March due to Bi monthly timetable, the next magazine will be sent in April. As previous meeting discussion, we will be switching to Bi Monthly cycle.

Gary Wright voiced a comment disagreeing with this decision, stating that the minutes and correspondence is not being sent out monthly, The meeting had agreed to accept the minutes monthly to solve this issue.

EDITOR'S NOTES

Hello Everyone,

Welcome to the '55,'56,'57 Chev Club of Australia Magazine.

As previously mentioned, we had a great Camden Car Show last year and we were all stocked to see articles across the net, and also in print in Cruisin magazine and Killer Rides magazine (see pics below).

In this magazine we cover upcoming events, Summernats 36 and All American Day. Our feature car is the fabulous 1957 Bel Air Convertible of Mick Martelli. Check it out on page 18.

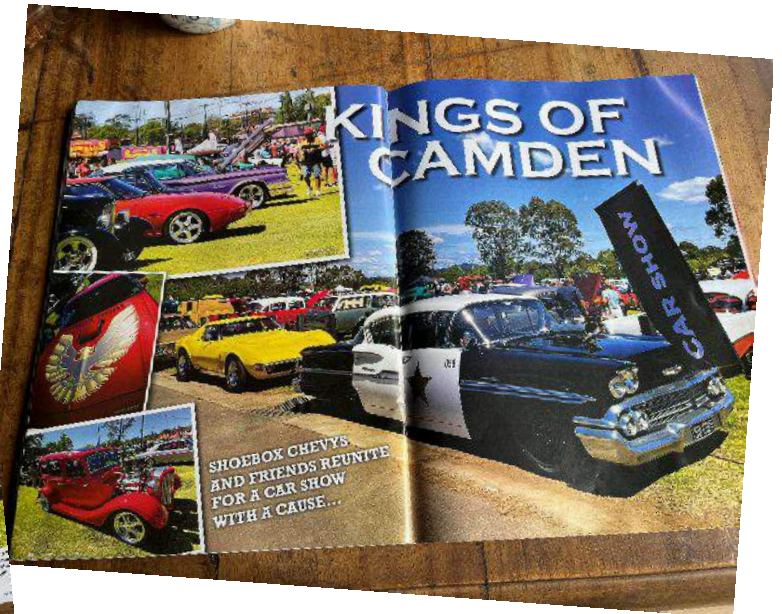

There are many more upcoming events to note. Please check out the events calendar. Cars and Coffee events are in most areas. If you can't find one, just ask.

Enjoy the magazine

All the best

Summernats 36, January 2024

This years Summernats will be remembered as a big one. The Top 60 hall was mind blowing. A big congratulations goes to Chris Schembri (who happens to be a club member) with his amazing orange Monaro (below left). Local talent also included the blue Torana (above left) from Western Street & Custom, Windsor. "Blue Moon", the '54 Chev was also a crowd favourite (below right)

Summernats never disappoints with the weird and wonderful contraptions. LS engines were in everything from early hotrods and old Fords (above left & middle), to a little yellow Suzuki Swift (right) and Lynchie's burnout winning Toyota Corolla. A 6 cylinder commodore with 3 turbos (above left), spat flames 4ft higher than the turbos. Nutcases everywhere!

But from the setup day on Thursday, it was all about the "Brandywine" 1968 Dodge Charger owned by Joe Bauer. The 604 Keith Black Gen 2 hemi sports an 18/71 DMPE blower that develops 3000hp!

The Charger romped home with the #1 spot in judging and clenched the Grand Champion with his efforts in the driving events. I was lucky enough to hold the Holy Grail, the Summernats Grand Champion Sword for helping getting all the billet work up to standard with our 'Ultimate' metal finish from Brilliant Polish.

Joe also owns the ex Victor Bray burnout car which he has fully refurbished to original. He treated it to a lashing on the burnout pad and did a great job considering he has had just 8 minutes of drive time in the newly finished thirsty beast.

Mick Martelli's 1957 Bel Air Convertible

Mick bought his dream way back in 2005 from Hemmings car auctions in Maryland USA. It was an unrestored 283 powerpac convertible. He also acquired quite a few parts, old and new, to ship back home. And by a few parts, try a 40ft container full of parts including the '57.

Once it arrived in Sydney, the project started. Excess parts were sold off, which not only helped funding the project, but also made space for work to continue.

Most of the work was done by Mick himself at home. To facilitate this he enrolled in a few night TAFE courses to learn the skills the Chev needed. New floors and boot floors were welded in and then the bodywork began. The application of the Porsche Guard Red paint was outsourced.

The big Chev also copped a bit of a drivetrain upgrade. An LS2 with 416E transmission, Corvette independant suspension, right hand drive conversion with rack and pinion steering. 12 inch discs with twin piston Baer callipers for stopping up front, and 11 inch single one out the back.

The Budnik Gasser alloy wheels are 18x8 up front and 18x9 on the rear.

The custom interior is Ferrari Napper Red leather, beutifully installed by X Trim Motor Trimming. Electric windows, air conditioning and central locking make it all feel like a modern car.

It's been a long journey for Mick, but well worth it judging by the smile on his face.

All American Day Sydney. 21st January 2024

All American Day Sydney 2024 was spoiled with blue skies and sunshine. Both carparks of the Macarthur Square Shopping Centre at Campbelltown filled by 9.30am. Unfortunately there were only a few Tri Fives, but very nice ones. I had a trade stand on the day so apologies for the lack of photos. As far as GM product went, Mark with the black 69 Camaro (below left) placed 1st in Factory Muscle Car.

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION

HISTORIC AND CONDITIONAL (MODIFIED) REGISTRATION INCLUDING 60 DAY LOG BOOK

To be eligible for historic & conditional registration you must be a member of an RMS approved automotive car club such as ours. Membership of our club is \$80 per annum.

Historic and conditional registrations are both eligible for the 60 day log book trial. The trial allows you to drive your vehicle on 60 individual days at your own discretion. Club events and club sanction runs do not impact on the 60 day log book use.

Fees for concessional registration are set by the RMS & are currently \$51 for registration including green slip plus a once off payment of \$40 for new plates. Conditional registration also attracts an additional annual fee of \$30 to the APMC.

Personalised plates need to be surrendered, transferred, or placed on hold; the latter attracts a holding fee & any other ongoing rental costs. It is hoped that the RMS may allow personalised plates with conditional registration sometime in the future.

Historic registration (H Plate) is essentially for vehicles 30 years or older that have not been modified, some consideration maybe allowed for manufacture/dealer approved accessories, Limited safety upgrades and unavailability of original parts. In our club registration requires an annual Pink Slip.

Conditional registration (D Plate) is also available for vehicles 30 years or older that have been modified. The RMS have issued a set of guidelines (VSI No.6) that address many examples of what modifications may or may not require certification by an RMS certified engineer. For example an engine capacity increase greater than 20% or a total wheel and tyre diameter increase by more than 7% would require certification. Modified vehicles that do not need certification must have a once off Blue Slip, than an annual Pink Slip. Vehicles requiring certification require an engineer's report confirming the current modifications plus a Blue Slip, than an annual Pink Slip.

Please refer to the overleaf flow chart for further guidance and feel free to contact our Plate Registrar for more information.

Kind Regards,

'55 '56 '57 Chevrolet Club of Australia.

The 55'56'57' Chevrolet Club Of Australia Inc. Process for conditional registration schemes

Regardless of whether you are renewing or applying for the first time for Historic or Classic vehicle registration before you proceed you must be a financial member of the Club, live in N.S.W. and hold current NSW drivers licence, the vehicle must be garaged in NSW

Thoroughly read all of the Roads and maritime services (RMS) rules pertaining to the conditional scheme to determine if your vehicle complies with their requirements that suit your vehicle check [RMS web site](#)
There are two conditional registration schemes that apply to our cars One is Historic vehicle scheme (HVS) Or two Classic vehicle scheme (CVS) vehicles must be 30 years old as per build date,
